

Pontedera, 17.05.2019

I - Fabio Leoni, authorized representative of Fastenica s.r.l. - declare that all the activities carried out by Fastenica srl in the period from 30.11.2018 to 30.03.2019 within the ECHORD Plus Plus project (GA 601116) and under the Experiment instrument, aimed to complete the activities envisaged in the proposal "Laser Assisted Robotic Surgery of the anterior Eye Segment" (LA-ROSES), have been financed with Fastenica's own financial resources and have received no financial contribution by the European Commission under ECHORD Plus Plus or any other project.

Best Regards

Fabio Leoni
Fastenica srl
